Just my two cents, but unless Alex really wants to talk to this reporter, I am inclined to simply ask Molly to handle it since this inquiry is about PFOA process nationally at this point.

Just want to confirm that my read on this reflects Alex's wishes (?)

Thanks!

Hi Alexandra,

I'm the reporter from The Telegraph in Nashua, NH who has been reporting on the EPA's community engagements events on the PFAS issue that started in Exeter in June. The EPA completed its events last week and is preparing its report on the agency's action plan. I'd like to file a story this week on the status of EPA activities and would like to speak with you for follow up on the event in NH and how it will influence EPA directors in their actions. I'm in touch with Molly Block at the national office in Washington and would like additional info from New England. I'd like to speak with you today or tomorrow so I can file a story on Thursday. Please contact me to arrange a convenient time. Thanks for your help,

Ken Liebeskind [Personal Phone / Ex. 6]
